Learning Together to Make a Positive Difference

Newsletter No. 17

Headteacher Message

Well, it has been a successful week all round. We are so proud of all our Year 6 children who have shown great resilience and determination during their SATs. It has been an absolute pleasure enjoying breakfast with them and seeing them step up to the plate and showcase all the great learning they have done over the years. Very well done, Year 6, you truly are amazing.

There has been a lot going on outdoors this week from sports, gardening, forest skills and science. Many a-frog has been witnessed hopping about near the pond much to the fascination of children. We've had children enjoying lunch outside again and some have even had their lunch on the picnic benches in our garden. I would remind everyone to use plenty of sun lotion and remember to wear sun hats to keep ourselves safe in the sun. We also need to make sure that we drink plenty of water and try not to stay out in the sun for too long. Find those shady places to keep cool.

We have focused on respect and responsibility in our learning this week so we are very pleased that our whole school supported Year 6 by creating a calm and quiet learning environment. Smashing job everyone!

Parent Support Worker Update

Thank you everyone for all your kind contributions towards our local food bank. We love how supportive our community is and the food bank would like to let you know that they really appreciated your very generous donations.

Year 6 Break Free

After all their hard work, Year 6 took a trip to Page Park today where they played and enjoyed an ice lolly. Thanks to the kindness and generosity of Chiara, Freya and Eve (who spent the prior evening baking), they also sampled some delicious chocolate treats. Yummy! Thank you, girls!

Well done, Hakeem! Our children are always showing respect by being kind and listening to each other. Super writing!
