

REWARDS & CELEBRATIONS

The Staff at Staple Hill Primary School recognise that positive encouragement and rewards promote good behaviours in pupils and help to raise self-esteem. We will celebrate in the following ways:

Verbal praise and smiling at children

Verbal praise to parents

Smiley faces

Weekly 'Golden Time' reward

Stickers and stamps

Certificates

Send good work to other staff for reward/praise

Special responsibility jobs

Positive phone call or postcards home

Whole class rewards

Raffle tickets to win prizes

Weekly 'Positive Difference' assembly [parents invited]

Weekly reward 'tea party' with the Headteacher

Making a Positive Difference

@Staple Hill Primary

At Staple Hill Primary School, we have a clear vision for children to 'learn together to make a positive difference' and five core values to underpin this vision and promote positive behaviours.

This information leaflet will help you understand how we support our children in making good choices as learners and citizens so that they can make 'a positive difference'.

Our Core Values

At Staple Hill Primary School, to make a positive difference we:

◇ learn together/collaborate

◇ are kind

◇ are positive

◇ are respectful

◇ are responsible

How can I help my child make a positive difference?

When your child comes home wearing a sticker, praise them and ask them to explain why they were awarded it.

Ask them, 'How have you been ...'

... responsible today? ... kind, positive, respectful today?

What learning together/collaboration have you done today?

Use our values to discuss the choices your child makes at home e.g. 'Wow! You were responsible when ...'; 'I love how positive you are even though you found your spellings tricky!'

We will invite you, by text, from time to time to join us at our 'Positive Difference' Assembly, on a Friday, to help celebrate your child's successes. We hope that you will be able to join us.
