

# Home Learning Year 1/2

Forest Hill  
Partnership

Week Beginning 15<sup>th</sup> June 2020

## Daily Physical Activities

Daily movement is great for children's physical and mental health:

Joe Wicks is hosting a daily fitness session to get the blood pumping:	<a href="https://www.youtube.com/user/thebodycoach1">https://www.youtube.com/user/thebodycoach1</a>
Cosmic Kids are hosting a daily yoga session to help build strength and balance. These fun sessions follow story and are also great for mental health.	<a href="https://www.youtube.com/user/CosmicKidsYoga">https://www.youtube.com/user/CosmicKidsYoga</a>

## Phonics for Year 1

At school we follow a scheme called Read Write Inc. Below is a link to daily lessons. Each day a new video teaching a new sound is uploaded and is available for 24hrs so it can be accessed any time on that day. Children would need to first take part in the 'Speed Sound' lesson which lasts about 10-15minutes. Following this they can take part in the 'Spelling lesson' which again lasts about 10-15 minutes. These two short sessions will help children learn new sounds and apply them in spelling.

	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Set 1 – Reception</b> <ul style="list-style-type: none"> <li>Set 1 Speed Sounds 9.30 am</li> <li>Set 1 Word Time 9.45 am</li> <li>Set 1 Spelling 10.00 am</li> </ul>	c	k	u	b	f
<b>Set 2 – Reception and Yr.1</b> <ul style="list-style-type: none"> <li>Set 2 Speed Sounds and Word Time 10.00 am</li> <li>Set 2 Spelling 10.15am</li> </ul>	ou	oy	ay (set 2 restarts)	ee	igh
<b>Set 3 Yr. 1 and Yr. 2</b> <ul style="list-style-type: none"> <li>Set 3 Speed Sounds and Word Time 10.30 am</li> <li>Set 3 Spelling 10.45 am</li> </ul>	ow (Reading longer words oo)	ai (Reading longer words ar)	oa (Reading longer words ire)	ew (Reading longer words ear)	ire (Reading longer words ure)

## Reading:

Online eBooks which link to our phonics programme (shown above) will allow children to apply their phonics skills. These can be found at:

<https://home.oxfordowl.co.uk>

## Story Time

Daily story time provided by RWI who we follow for phonics: <https://www.youtube.com/playlist?list=PLDe74j1F52zQ51fqNpKV07E71knNI8HFh>

## Mathematics, English and foundation learning:

From feedback from parents we understand that lots of our families would like different things from home learning. The following offers families a range of home learning for parents to select from to meet their needs and circumstances:

Stage	Aim	Link
Daily learning activities stage	In this stage, learning has been set out in into daily chunks to help families establish a routine of learning together. Learning activities link or build on each previous day's activity.	<a href="https://www.robinhoodmat.co.uk/wp-content/uploads/2020/05/W_C-15.06.2020_-_KS1-Learning-Project-SPACE.pdf">https://www.robinhoodmat.co.uk/wp-content/uploads/2020/05/W_C-15.06.2020 - KS1-Learning-Project-SPACE.pdf</a>
Daily learning stage	In this stage, children can be a little more independent and engage with daily learning activities using the BBC bitesize website. This is broken down into year groups and learning for each day.	<a href="https://www.bbc.co.uk/bitesize/dailylessons">https://www.bbc.co.uk/bitesize/dailylessons</a>
Formal Daily stage	<p>In this stage, children can independently engage with online lessons with The National Academy. Each day there is a Mathematics, English and Foundation subject lesson for each year group. This section has a teacher delivering direct teaching followed by independent practice. This stage requires children to follow the learning each day with lessons building upon prior learning. Children will need to complete the learning in order as it is sequential and builds daily.</p> <p>This has been created and funded by central government.</p>	<a href="https://www.thenational.academy/online-classroom/schedule">https://www.thenational.academy/online-classroom/schedule</a>

### What we are learning in school this week:

Within this box, your child's class teacher will include an overview of the learning taking place in school. You may wish to base home-schooling on these learning points.

#### Reading:

We will focus on Set 3 sounds from Read Write Inc. phonics. These include for this week: a\_e and i\_e. Using these sounds, the children will be expected to read, spell and write them into a sentence.

#### Writing:

We will focus our writing this week on The Way Back Home <https://www.literacyshed.com/thewaybackhome.html>. The children will be designing their own planet and alien, getting ideas from <https://www.literacyshed.com/the-sci---fi-shed.html>. We will then use hot seating to get into character and start to think more deeply about who their alien is. We will then write a fact sheet about chosen alien and planet. To support this work we will use art and science activities such as using marbling effects and salt dough to create planets. <https://www.youtube.com/watch?v=-K8DWq-n5vY> <https://rainydaymum.co.uk/salt-dough-layers-of-the-earth-model/>

#### Maths:

We will then be exploring the addition facts for numbers 6, 7 and 8 and 9 to create number posters. For example,  $4+3 = 7$  but so does  $5+2$  and  $6+1$ . This will enable the children to be add fluently when dealing with larger numbers as they move through the school as they will be able to identify the addition fact. We will also look at fluent number facts such as doubles up to  $10+10$  and halves of even numbers 20 and below.

**BBC iPlayer** and the Red Button are hosting Bitesize Daily programmes each weekday for learners aged five to 14. Expert teachers have worked with us to create these fun-packed programmes full of learning and inspiration. Each programme will include a combination of core subjects like English, Maths and Science, as well as other subjects such as History, Geography, Music and French.

**Watch Bitesize Daily on iPlayer:** Watch Bitesize Daily on Red Button: 09:00 - Bitesize Daily, Primary

### **Sharing learning with teachers and gaining feedback**

No matter what learning families choose to do at home, all completed learning can be shared with their child's teacher using Class Dojo. Teachers will comment on your child's learning. Each week, teachers will also send them a message about their learning and give improvement tips or reminders.
