

Home Learning – EYFS

Week Beginning 15th June 2020

Daily Physical Activities

Daily movement is great for children's physical and mental health:

Cosmic Kids are hosting a daily yoga session to help build strength and balance. These fun sessions follow story and are also great for mental health.

Learning Through Play

Learning through play is an important part of the development of young children. This year we have been working with author and trainer Greg Bottrill, Greg has created a set of play adventures so children can adventure at home with him; enjoy!

Phonics for Year N and R

At school we follow a scheme called Read Write Inc. Below is a link to daily lessons. Each day a new video teaching a new sound is uploaded and is available for 24hrs so it can be accessed any time on that day.

	Monday	Tuesday	Wednesday	Thursday	Friday
Set 1 – Reception and Nursery <ul style="list-style-type: none">Set 1 Speed Sounds 9.30 amSet 1 Word Time 9.45 amSet 1 Spelling 10.00 am	c	k	u	b	f
Set 2 – Reception <ul style="list-style-type: none">Set 2 Speed Sounds and Word Time 10.00 amSet 2 Spelling 10.15am	ou	oy	ay	ee	lgh
Read and Hold a Sentence 1 (from 15th June)	For children reading and writing words with set 1 sounds confidently and learning set 2 sounds (Green, Purple, Pink and Orange RWI story books.)				

Reading:

Online eBooks which link to our phonics programme (shown above) will allow children to apply their phonics skills. These can be found at:

<https://home.oxfordowl.co.uk>

Story Time

Daily story time provided by RWI who we follow for phonics: <https://www.youtube.com/playlist?list=PLDe74j1F52zQ51fqNpKV07E71knNI8HFh>

Mathematics, English and foundation learning:

From feedback from parents we understand that lots of our families would like different things from home learning. The following offers families a range of home learning for parents to select from to meet their needs and circumstances:

Stage	Aim	Link
Daily learning activities stage	In this stage, learning has been set out in into daily chunks to help families establish a routine of learning together. Learning activities link or build on each previous day's activity.	https://www.robinhoodmat.co.uk/wp-content/uploads/2020/05/W_C-8.06.2020_-EYFS-Learning-Project-MUSIC.pdf
Formal Daily stage	<p>In this stage, children can independently engage with online lessons with The National Academy. Each day there is a Mathematics, English and Foundation subject lesson for each year group. This section has a teacher delivering direct teaching followed by independent practice. This stage requires children to follow the learning each day with lessons building upon prior learning. Children will need to complete the learning in order as it is sequential and builds daily.</p> <p>This has been created and funded by central government.</p>	https://www.thenational.academy/online-classroom/schedule

What we are learning in school next week:

Within this box, your child's class teacher will include an overview of the learning taking place in school. You may wish to base home-schooling on these learning points.

The children will engage with the learning landscape alongside the children in their bubble during continuous provision. The adults will play alongside them to develop language, independence and personal and social skills.

Phonics: We will be recapping set 1 and set 2 sounds and spellings according to your child's needs. We will be following the Read, Write Inc programme in line with the home learning lessons.

Writing: Your child will practice letter formation every day. They will be encouraged to use messaging in their play to write mystery symbols, words, captions and sentences.

Maths: This week we will be focusing on [counting in 2s](#) and [ways to make 8](#).

Weekly themes: Each week we will have a book focus to inspire learning.

This week we will use the story: Mixed by Arree Chung <https://www.youtube.com/watch?v=SlbGioTNs4M>

We will focus on;

- Primary and secondary colours. What happens when we mix colours together?
- Creating character descriptions
- [Colour sequencing \(repeating patterns\)](#)
- What makes us special and unique-celebrating our differences <https://www.youtube.com/watch?v=cyVzjoi96vs>
- [Creating a rainbow using paper towels and felt tips.](#)

Sharing learning with teachers and gaining feedback

No matter what learning families choose to do at home, all completed learning can be shared with their child's teacher using Tapestry. The teachers will comment on your child's learning and send them a message about their learning giving improvement tips or reminders.
