

Home Learning Key Stage 1

Forest Hill
Partnership

Week Beginning 22nd June 2020

Daily Physical Activities

Daily movement is great for children's physical and mental health:

Joe Wicks is hosting a daily fitness session to get the blood pumping:	https://www.youtube.com/user/thebodycoach1
Cosmic Kids are hosting a daily yoga session to help build strength and balance. These fun sessions follow story and are also great for mental health.	https://www.youtube.com/user/CosmicKidsYoga

Phonics for Year 1

At school we follow a scheme called Read Write Inc. Below is a link to daily lessons. Each day a new video teaching a new sound is uploaded and is available for 24hrs so it can be accessed any time on that day. Children would need to first take part in the 'Speed Sound' lesson which lasts about 10-15minutes. Following this they can take part in the 'Spelling lesson' which again lasts about 10-15 minutes. These two short sessions will help children learn new sounds and apply them in spelling.

	Monday	Tuesday	Wednesday	Thursday	Friday
Set 1 – Reception <ul style="list-style-type: none"> Set 1 Speed Sounds 9.30 am Set 1 Word Time 9.45 am Set 1 Spelling 10.00 am 	e	l	h	r	j
Set 2 – Reception and Yr.1 <ul style="list-style-type: none"> Set 2 Speed Sounds and Word Time 10.00 am Set 2 Spelling 10.15am 	ow	oo (poo at the zoo)	oo (look at a book)	ar	or
Set 3 Yr. 1 and Yr. 2 <ul style="list-style-type: none"> Set 3 Speed Sounds and Word Time 10.30 am Set 3 Spelling 10.45 am 	ear (Reading longer words ee/ea)	ure (Reading longer words oy/ui)	ea (set 3 restarts) (Reading longer words ay/a-e/ai)	oi (Reading longer words igh/i-e)	a-e (Reading longer words ow/o-e/oa)

Reading:

Online eBooks which link to our phonics programme (shown above) will allow children to apply their phonics skills. These can be found at:

<https://home.oxfordowl.co.uk>

Story Time

Daily story time provided by RWI who we follow for phonics: <https://www.youtube.com/playlist?list=PLDe74j1F52zQ51fqNpKV07E71knNI8HFh>

Mathematics, English and foundation learning:

From feedback from parents we understand that lots of our families would like different things from home learning. The following offers families a range of home learning for parents to select from to meet their needs and circumstances:

Stage	Aim	Link
Daily learning activities stage	In this stage, learning has been set out in into daily chunks to help families establish a routine of learning together. Learning activities link or build on each previous day's activity.	https://www.robinhoodmat.co.uk/wp-content/uploads/2020/04/W_C-22.06.2020 - KS1-Learning-Project-TRANSPORT.pdf
Daily learning stage	In this stage, children can be a little more independent and engage with daily learning activities using the BBC bitesize website. This is broken down into year groups and learning for each day.	https://www.bbc.co.uk/bitesize/dailylessons
Formal Daily stage	<p>In this stage, children can independently engage with online lessons with The National Academy. Each day there is a Mathematics, English and Foundation subject lesson for each year group. This section has a teacher delivering direct teaching followed by independent practice. This stage requires children to follow the learning each day with lessons building upon prior learning. Children will need to complete the learning in order as it is sequential and builds daily.</p> <p>This has been created and funded by central government.</p>	https://www.thenational.academy/online-classroom/schedule

What we are learning in school this week:

Within this box, your child's class teacher will include an overview of the learning taking place in school. You may wish to base home-schooling on these learning points.

Reading:

We will focus on Set 3 sounds from Read Write Inc. phonics. These include for this week: o_e and u_e. Using these sounds, the children will be expected to read, spell and write them into a sentence.

Writing:

We will be writing our own non chronological report on the changes to transport over time. We will look at a different mode of transport every day. Planes. Cars, trains and finally Ships. Every day, we will choose an important fact that we would like to add to our report to be completed on Friday. We will also be exploring the different sounds that these modes of transport make in our music lessons.

Maths:

We will be focusing our attention on understanding words such as greater than and smaller than to compare two digit numbers. These will also be identified as 'tens and ones' for place value. Now we have explored the number facts to add to 10 we will be looking at efficient strategies. The focus will be on near bonds to 10 such as $4 + 5 = 9$ because we know $5 + 5 = 10$, $7 + 4 = 11$ because we know $7 + 3 = 10$ and we will also look at near doubles such as $3 + 4 = 7$ because we know $3 + 3 = 6$, $6 + 7 = 13$ because $6 + 6 = 12$.

BBC iPlayer and the Red Button are hosting Bitesize Daily programmes each weekday for learners aged five to 14. Expert teachers have worked with us to create these fun-packed programmes full of learning and inspiration. Each programme will include a combination of core subjects like English, Maths and Science, as well as other subjects such as History, Geography, Music and French.

Watch Bitesize Daily on iPlayer: Watch Bitesize Daily on Red Button: 09:00 - Bitesize Daily, Primary

Sharing learning with teachers and gaining feedback

No matter what learning families choose to do at home, all completed learning can be shared with their child's teacher using Class Dojo. Teachers will comment on your child's learning. Each week, teachers will also send them a message about their learning and give improvement tips or reminders.
