Friday 12th February

Dear Parents/Carers

Just wanted to give everyone a great big 'Shout out ' for all the work you have been doing throughout this term. All the staff are very proud not only of the children but of you all as a community. Your resilience and creativity has been amazing. Hopefully we are nearly there. Remember next week school will be closed for the half-term break . We will not be setting any home learning during this time and we will not be accessing Class Dojo. The weekly plans will be posted on Friday 12th February so you can plan your week out .However daily home learning content and links will resume on Monday 22nd February. We really encourage you to use the half term to relax and enjoy time as a family.

We have also put some links into this newsletter for local activities that we have been sent. Mrs Pollard has also put some ideas together for some physical challenges. You can find them on School Story on Class Dojo or at the end of this newsletter.

Miss Weldrake has also put some exciting plans together for World Book Day, that we can all join in with remotely here at Staple Hill on Thursday 4th March. Details attached.

We are continuing to monitor the progress of your children throughout this time, if they are at school or learning from home. Parents will have the opportunity to speak to their child's class teacher in parents evening which will be the week beginning the 19th April. These meetings will take place remotely via zoom and links will be sent out nearer the time.

Thank you again for all your messages of support to the staff, we very much appreciate all your comments.

Sharon Boulton

Headteacher
