Dear Parent/Carers,

First of all a huge thank you to all of you for all the support you have shown the school during this lockdown period. You have all done so well and need to be congratulated on the way you have supported your children during this difficult time. It was really lovely to see the children enjoying bedtime stories yesterday and I am glad you all received your treats.

## Monday 8th March

We are so looking forward to welcoming the children back and we know that they will be excited to see their friends and teachers again. You will have received a letter outlining our return to school plan. It is our aim throughout this next few weeks to keep all the children happy and safe.

Sharon Boulton

Headteacher

### Start of the day

All children will need to attend school wearing uniform.

Children can arrive at school between 8:30 am and 9:00am. The same arrangements will apply for children entering the school as before and signs and staff will be available to support the children into school.

### End of school day–

From Monday, as before, Year 1-4 parents/carers are asked to enter the site and follow a one-way system for pick-up only. Please take the path alongside our 'Forget-Me-Not' Garden, then leave by entering the playground then taking the path out from the Y3/4 end beside the gazebo and back through the main gates. There will be staff around to help re-establish this end of day routine.

Parents/Carers of Reception can pick-up in the same way as before going directly to Reception, but then if you need to pick up older siblings, we would like you to leave via the car park route then follow the one way system along the path beside the 'The Forget-Me-Not Garden'.

Y5/6 will still leave independently in the same way at 3.25 pm. Parents to collect from the front.

Y3/4 will finish at 3.15 pm -from their zones in the playground.

Reception and KS 1 will finish at 3.10pm. And be released through their classroom doors.

We would remind all parents that these staggered times will help with picking up siblings in different year groups and reduce congestion around the site. We would also remind you that whilst schools are now open lockdown rules still apply and we ask you to leave the school site as quickly as possible.

### School Office

We are trying to reduce all face to face meetings. If you need to speak to a teacher or Mrs Dawes please contact the office via 01454867240 or [enquiries@staplehillsschool.co.uk](mailto:enquiries@staplehillsschool.co.uk). All payments for dinner/toast/breakfast club can be made online.
